**Dr. Charles Craddock**

*Queen Elizabeth Hospital Birmingham, London, UK*

---

Professor Charles Craddock is Professor of Haemato-oncology at the University of Warwick and Academic Director of the Centre for Clinical Haematology at University Hospitals Birmingham.. Professor Craddock is Chair of the UK Stem Cell Strategic Oversight Committee and was Medical Director of Anthony Nolan from 2010–2014. He is a past President of the British Society of Haematology. Professor Craddock's main research interests include the development of novel drug and transplant therapies in acute myeloid leukemia. He pioneered the development of the UK Haemato-oncology Trials Acceleration Programme and the UK stem cell transplant trials network, IMPACT. He has published more than 250 papers in peer reviewed journals. Professor Craddock was awarded the CBE for services to medicine and medical research in the 2016 New Year's Honours list and elected a Fellow of the Academy of Medical Sciences in 2020.
